NOTICE OF 2018 ANNUAL MEETING OF STOCKHOLDERS

To the Stockholders of Eclipse Resources Corporation:

Notice is hereby given that the 2018 Annual Meeting of Stockholders (the "Annual Meeting") of Eclipse Resources Corporation (the "Company") will be held on Wednesday, May 16, 2018 at 10:00 a.m. Eastern Time, at the Company's principal executive offices located at 2121 Old Gatesburg Road, State College, Pennsylvania 16803. The Annual Meeting is being held for the following purposes:

1. To elect three Class I members of the Company's Board of Directors to serve until the Company's 2021 annual meeting of stockholders;
2. To ratify the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018; and
3. To transact other such business as may properly come before the meeting and any adjournment(s) or postponement(s) thereof.

These proposals are described in the accompanying proxy statement. The Board of Directors has fixed the close of business on March 21, 2018, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting or any adjournment(s) or postponement(s) thereof. Only stockholders of record at the close of business on the record date are entitled to notice of and to vote at the Annual Meeting. The stock transfer books will not be closed. A list of stockholders entitled to vote at the Annual Meeting will be available for examination at the Company's principal executive offices for ten days prior to the Annual Meeting.

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to our proxy solicitation materials primarily via the Internet, rather than mailing paper copies of these materials to each stockholder. On or about April 3, 2018, we will mail to each stockholder a Notice of Internet Availability of Proxy Materials with instructions on how to access the proxy materials, vote, or request paper copies.

You are cordially invited to attend the Annual Meeting; however, whether or not you expect to attend the Annual Meeting in person, you are urged to submit your proxy so that your shares of stock may be represented and voted in accordance with your preferences and in order to help establish the presence of a quorum at the Annual Meeting. You can vote your shares via the Internet, by a toll-free telephone call, or by properly completing, signing and returning a hard copy of the proxy card, which can be requested by following the instructions on the Notice of Internet Availability of Proxy Materials. If you attend the Annual Meeting and would like to vote in person, you may do so even if you have already dated, signed and returned your proxy card.

Pursuant to the rules of the New York Stock Exchange, if you hold your shares in street name, brokers, banks or other nominees will not have discretion to vote your shares on the election of directors. We encourage you to provide voting instructions to your broker, bank or other nominee if you hold your shares in street name so that your voice is heard on such matters.

By Order of the Board of Directors,

Christopher K. Hulburt
Secretary

**PROXY STATEMENT
2018 ANNUAL MEETING OF STOCKHOLDERS**

This Proxy Statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Eclipse Resources Corporation for use at the Eclipse Resources Corporation 2018 Annual Meeting of Stockholders (the “Annual Meeting”). In this Proxy Statement, references to “Eclipse Resources,” the “Company,” “we,” “us,” “our” and similar expressions refer to Eclipse Resources Corporation, unless the context or a particular reference provides otherwise. The Board requests your proxy for the Annual Meeting that will be held on Wednesday, May 16, 2018 at 10:00 a.m. Eastern Time at the Company’s principal executive offices located at 2121 Old Gatesburg Road, State College, Pennsylvania 16803, for the purposes set forth in the accompanying notice and described in this Proxy Statement. By granting a proxy, you authorize the persons named in the proxy to represent you and vote your shares at the Annual Meeting or any adjournment(s) or postponement(s) thereof.

If you attend the Annual Meeting, you may vote in person. If you are not present at the Annual Meeting, your shares may be voted only by a person to whom you have given a proper proxy.

Brokers are not permitted to vote your shares for discretionary matters, which include the election of directors, without your instructions as to how to vote. Please return your proxy so that your vote can be counted on such matters.

DELIVERY OF PROXY MATERIALS

Mailing Date. The Notice of Internet Availability of Proxy Materials (the “Notice of Availability”) is first being sent to stockholders on or about April 3, 2018.

Stockholders Sharing an Address. Each registered stockholder (meaning you own shares in your own name on the books of our transfer agent, Computershare Trust Company, N.A.) will receive one Notice of Availability per account, regardless of whether you have the same address as another registered stockholder.

Some banks, brokers and other record holders have begun the practice of “householding” proxy statements and annual reports. “Householding” is the term used to describe the practice of delivering a single copy of this Proxy Statement and the Company’s 2017 Annual Report to Stockholders (the “Annual Report”) to any household at which two or more stockholders share an address. This procedure reduces the volume of duplicative information and our printing and mailing costs. We will deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and our Annual Report to a stockholder at a shared address to which a single copy of such documents was delivered. Any stockholder who would like to receive a separate copy of the Proxy Statement and our Annual Report, now or in the future, should submit this request to Christopher K. Hulburt, Executive Vice President, Secretary and General Counsel, at our principal executive offices, 2121 Old Gatesburg Road, Suite 110, State College, Pennsylvania 16803. Beneficial owners sharing an address who receive multiple copies of this Proxy Statement and our Annual Report and who would like to receive a single copy of such materials in the future will need to contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all stockholders at the shared address in the future.

Internet Availability of Proxy Materials. The Notice of Annual Meeting and this Proxy Statement, along with the Company's Annual Report on Form 10-K (the "Form 10-K") for the year ended December 31, 2017 filed with the Securities and Exchange Commission (the "SEC") on March 2, 2018 and our Annual Report, are available free of charge at www.eclipseresources.com in the "SEC Filings" and "Annual Reports and Proxy Statements" subsections of the "Investor Center" section.

QUORUM AND VOTING

Voting Stock. The Company's common stock, par value \$0.01 per share, is the only outstanding class of the Company's securities that entitles holders to vote generally at meetings of the Company's stockholders. Each share of common stock outstanding on the record date entitles the holder to one vote at the Annual Meeting.

Record Date. The record date for stockholders entitled to notice of and to vote at the Annual Meeting is the close of business on March 21, 2018. As of the record date, 301,771,111 shares of common stock were outstanding and entitled to be voted at the Annual Meeting.

Quorum. A quorum of stockholders is necessary to transact business at a meeting of stockholders. The presence, in person or by proxy, of the holders of a majority of the votes eligible to be cast at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present, the chairman has the power, at the chairman's discretion, to adjourn the Annual Meeting from time to time, without notice other than an announcement at the Annual Meeting, until a quorum is present. At any annual meeting reconvened following an adjournment at which a quorum is present, any business may be transacted that might have been transacted at the annual meeting as originally noticed. As of the record date, private equity funds managed by EnCap Investments L.P. ("EnCap") controlled approximately 69.85% of the voting power entitled to vote at the Annual Meeting. Accordingly, EnCap has the requisite voting power to constitute a quorum at the Annual Meeting and to ensure the approval or disapproval of the proposals described below. Abstentions and broker non-votes (as described below) will be included for purposes of determining whether a quorum is present at the Annual Meeting.

Stockholder List. In accordance with the Delaware General Corporation Law, the Company will maintain at its corporate offices in State College, Pennsylvania a list of the stockholders entitled to vote at the Annual Meeting. The list will be open to the examination of any stockholder, for purposes germane to the Annual Meeting, during ordinary business hours for ten days before the Annual Meeting.

Vote Required. Only stockholders of record at the close of business on March 21, 2018 have the right to vote at the Annual Meeting. Assuming the presence of a quorum, the proposals at the Annual Meeting will require the following votes:

- Class I directors will be elected by a plurality of all votes cast. This means the three director nominees who receive the highest number of votes "FOR" his election at the Annual Meeting will be elected to the Board. You may vote "FOR" or "WITHHOLD" for each director nominee. As a result, there will not be any abstentions on this proposal. Broker non-votes (as described below) will generally have no effect on the outcome of this proposal because only a plurality of votes is required for the election of directors.
- Ratification of the selection of the Company's independent registered public accounting firm will require the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. You may vote "FOR," "AGAINST" or "ABSTAIN" on the proposal to ratify the selection of the Company's independent registered public accounting firm. Abstentions are considered to be "present" and "entitled to vote" at the Annual Meeting, and as a result, abstentions will have the same effect as a vote against this proposal. As discussed below, brokers may use their discretion to vote shares of common stock held by them in "street name" for which voting instructions are not submitted with respect to the ratification of the selection of the Company's independent registered public accounting firm, so no broker non-votes are expected for this proposal.

Representatives of Computershare Trust Company, N.A., the transfer agent for our common stock, will tabulate the votes. Neither our Amended and Restated Certificate of Incorporation or our Amended and Restated Bylaws (our "Bylaws") allow for cumulative voting rights.

Brokers who hold shares in street name for customers are required to vote shares in accordance with instructions received from the beneficial owners. The New York Stock Exchange's (the "NYSE") Rule 452 restricts the ability of brokers who are record holders of shares to exercise discretionary authority to vote those shares in the absence of instructions from beneficial owners. Brokers are permitted to vote on discretionary items if they have not received instructions from the beneficial owners, but they are not permitted to vote on non-discretionary items absent instructions from the beneficial owner (resulting in a "broker non-vote"). With respect to the Annual Meeting, Rule 452 prohibits such brokers from exercising discretionary authority in the election of the Company's directors; but such brokers may exercise discretionary authority with respect to the ratification of the selection of the Company's independent registered public accounting firm.

Default Voting. A proxy that is properly completed and returned will be voted at the Annual Meeting in accordance with the instructions on the proxy. If you properly complete and return a proxy, but do not indicate any contrary voting instructions, your shares will be voted in accordance with the Board's recommendations, which are as follows:

- "FOR" the election of the three persons named in this Proxy Statement as the Board's nominees for election as Class I directors;
- "FOR" the ratification of the selection of Grant Thornton LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2018; and
- If any other business properly comes before the stockholders for a vote at the Annual Meeting, your shares will be voted at the discretion of the holders of the proxy. The Board knows of no matters, other than those previously stated herein, to be presented for consideration at the Annual Meeting.

Voting Procedures. If you are a record stockholder, you may vote your shares or submit a proxy to have your shares voted by one of the following methods:

- *By Internet.* You may submit a proxy electronically via the Internet by visiting the website listed on the Notice of Availability. Please have the Notice of Availability, the Notice of Annual Meeting, this Proxy Statement and the form of proxy (the "Proxy Materials") in hand when you log onto the website. Internet voting is available until 1:00 a.m. Eastern Time on May 16, 2018.
- *By Telephone.* You may submit a proxy by telephone by calling the toll-free number listed in the Notice of Availability. Please have your Proxy Materials in hand when you call. Telephone voting is available until 1:00 a.m. Eastern Time on May 16, 2018.
- *By Mail.* You may request a hard copy proxy card by following the instructions on the Notice of Availability and then vote by submitting a proxy by mail by signing, dating and returning your proxy card in the provided pre-addressed envelope.
- *In Person.* You may vote in person at the Annual Meeting of Stockholders by completing a ballot; however, attending the meeting without completing a ballot will not count as a vote.

If your shares are held in street name, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Internet and/or telephone voting will also be offered to stockholders owning shares through most banks and brokers.

Revoking Your Proxy. You may revoke your proxy in writing at any time before it is exercised at the Annual Meeting by: (i) delivering to the Secretary of the Company a written notice of the revocation; (ii) signing, dating and delivering to the Secretary of the Company a proxy with a later date; or (iii) attending the Annual Meeting and voting your shares in person. Your attendance at the Annual Meeting will not revoke your proxy unless you give written notice of revocation to the Secretary of the Company before your proxy is exercised or unless you vote your shares in person at the Annual Meeting before your proxy is exercised.

Solicitation Expenses. The cost of preparing, printing, assembling and mailing the Proxy Materials and our Annual Report, as well as the reasonable cost of forwarding solicitation materials to the beneficial owners of shares of our common stock, and other costs of solicitation, will be exclusively borne by us. Brokerage houses and other custodians, nominees and fiduciaries will, in connection with shares of our common stock registered in their names, be requested to forward solicitation material to the beneficial owners of such shares of our common stock. We have not incurred any solicitation expenses in excess of the amount typical for a solicitation of proxies for a non-contested election of directors. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally or by telephone, e-mail, facsimile or other means, without additional compensation. Wages of regular employees and officers are not considered to be expenses incurred with respect to the solicitation of proxies.

Copies of the Annual Report. Upon written request, we will provide any stockholder, without charge, a copy of our Annual Report. Stockholders should direct requests to Christopher K. Hulburt, Executive Vice President, Secretary and General Counsel, at our principal executive offices, 2121 Old Gatesburg Road, Suite 110, State College, Pennsylvania 16803. Copies of our Annual Report, the Form 10-K and the exhibits thereto are also available at www.sec.gov, a website maintained by the SEC which contains reports, proxy statements and other information regarding registrants, including us.

ITEM ONE: ELECTION OF DIRECTORS

The Company has classified its Board into three classes. Directors in each class are elected to serve for three-year terms and until either they are re-elected or their successors are elected and qualified or until their earlier resignation or removal. Each year, the directors of one class stand for re-election as their terms of office expire. The Board has nominated the following individuals for election as Class I directors of the Company with their terms to expire at the Company’s 2021 annual meeting of stockholders or until their earlier resignation or removal:

D. Martin Phillips
Douglas E. Swanson, Jr.
Randall M. Albert

Messrs. Phillips, Swanson and Albert currently serve as Class I directors of the Company. Their biographical information is contained in “Directors and Executive Officers” below.

The Board has no reason to believe that any of its nominees will be unable or unwilling to serve if elected. If a nominee becomes unable or unwilling to accept nomination or election, either the number of the Company’s directors will be reduced or the persons acting under your proxy will vote for the election of a substitute nominee that the Board nominates.

THE BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE ELECTION OF EACH OF THE DIRECTOR NOMINEES.

DIRECTORS AND EXECUTIVE OFFICERS

Nominees and Continuing Directors

Unless otherwise directed in your proxy, it is the intention of the persons named in such proxy to vote the shares represented by such proxy for the election of each of the following nominees as a member of the Board, each to hold office until the annual meeting of our stockholders to be held in 2021 and until his or her successor is duly qualified and elected or until his or her earlier resignation or removal. Messrs. Phillips, Swanson, and Albert are presently members of the Board.

Joseph C. Winkler, III has served as a member of our Board since June 2014. Mr. Winkler served as Chairman and Chief Executive Officer of Complete Production Services, Inc., a provider of specialized oil and gas services and equipment in North America (“Complete”), from March 2007 until February 2012, at which time Complete was acquired by Superior Energy Services, Inc. Mr. Winkler also serves on the board and as a member of the finance committee and compensation committee of Commercial Metals Company, a vertically integrated steel company. Mr. Winkler also serves on the board and audit committee of Tetra Technologies Inc., a diversified oil and gas services company. Mr. Winkler received a B.S. degree in Accounting from Louisiana State University.

The Board believes that Mr. Winkler should serve as a member of the Board due to his extensive operational, financial, international and capital markets experience, a significant portion of which was with publicly-traded companies in the oil and gas industry.

Christopher K. Hulburt co-founded Eclipse Resources in January 2011 and has served as our Executive Vice President, Secretary and General Counsel and a member of our Board since our inception. Prior to co-founding Eclipse Resources, Mr. Hulburt served as the Executive Vice President, Secretary and General Counsel of Rex Energy. Mr. Hulburt had previously served as the Vice President, Secretary and General Counsel for each of the predecessor companies of Rex Energy since April 2005. From January 2001 until April 2005, Mr. Hulburt was a senior associate for the law firm of Hodgson Russ LLP in its corporate and securities practice group. Before joining Hodgson Russ, he served as a commissioned officer in the U.S. Army's Judge Advocate General's Corps as a military prosecutor beginning in January 1997, and, in his last two years of service, also held the position of Special Assistant United States Attorney for the U.S. Department of Justice. Mr. Hulburt received his Bachelor's degree in History/Education from Niagara University and his law degree from Western New England College School of Law. Mr. Hulburt is the brother of Benjamin W. Hulburt.

The Board believes that Mr. Hulburt should serve as a member of the Board due to his perspective and experience as our co-founder, Executive Vice President, Secretary and General Counsel and his considerable legal experience at both public and private companies in the oil and gas exploration and production industry.

service holding the rank of Captain. Mr. Hulburt received his Bachelor of Science degree in Finance from The Pennsylvania State University. He is the brother of Christopher K. Hulburt.

The Board believes that Mr. Hulburt should serve as a member of the Board due to his perspective and experience as our co-founder, Chief Executive Officer and President and his considerable leadership, financial and operational experience at both public and private companies in the oil and gas exploration and production industry.

Richard D. Paterson has served as a member of our Board since June 2014. Mr. Paterson retired from PricewaterhouseCoopers LLP, an international network of auditors, tax and business consultants (“PwC”), in June 2011 after 37 years of service. Mr. Paterson is a member of the National Association of Corporate Directors.

Mr. Paterson also previously served as a board member of the U.S./Russia Business Council and the U.S. Energy Association. Mr. Paterson received a B.A. in Marketing and an M.B.A. in Accounting from Michigan State University. He is also a Certified Public Accountant.

The Board believes that Mr. Paterson should serve as a member of the Board due to his extensive knowledge of the energy industry and his significant expertise in capital markets, corporate governance matters and the preparation and review of financial statements and disclosures.

Mark E. Burroughs, Jr. has served as a member of our Board since January 2011. He currently serves as a Managing Director of EnCap. Mr. Burroughs serves on the board of several EnCap portfolio companies as well as Frontier Tubular Solutions. He is also a member of the Houston Producers’ Forum and the Independent Petroleum Association of America.

The Board believes that Mr. Burroughs should serve as a member of the Board due to his extensive experience in the oil and gas exploration and production industry as well as his experience as an investment banker, which will enable Mr. Burroughs to provide the Board with insight and advice on a full range of business, strategic and financial matters.

Prior to joining Eclipse Resources and commencing in 2002, Mr. DeNezza served in the Global Natural Resources Group at Deutsche Bank Securities where he was promoted to Managing Director and was responsible for leading merger and acquisition advisory assignments, as well as aiding clients in understanding capital markets and developing and executing financing transactions. BOARD OF DIRECTORS AND COMMITTEES

Board Leadership Structure

The Board does not have a formal policy addressing whether or not the roles of Chairman and Chief Executive Officer should be separate or combined. The directors serving on the Board possess considerable professional and industry experience, significant experience as directors of both public and private companies and a unique knowledge of the challenges and opportunities that the Company faces. As such, the Board believes that it is in the best position to evaluate the needs of the Company and to determine how best to organize the Company's leadership structure to meet those needs.

At present, the Board has chosen to combine the positions of Chairman and Chief Executive Officer. While the Board believes it is important to retain the flexibility to determine whether the roles of Chairman and Chief Executive Officer should be separated or combined in one individual, the Board believes that the current Chief Executive Officer is the individual with the necessary experience, commitment and support of the other members of the Board to effectively carry out the role of Chairman.

In addition, the Board has evaluated the appropriate leadership structure for the Board and relevant corporate governance trends, and in 2014, appointed Randall M. Albert as Lead Independent Director. The responsibilities of the Lead Independent Director include acting as chair at meetings of the Board when the Chairman is not present, and preparing the agenda and presiding over executive sessions of the non-management directors of the Board.

The Board believes this structure promotes better alignment of strategic development and execution, more effective implementation of strategic initiatives and clearer accountability for the Company's success or failure. Moreover, the Board believes that combining the Chairman and Chief Executive Officer positions does not impede independent oversight of the Company. Seven of the nine members of the Board are independent under NYSE rules, and the Lead Independent Director provides additional independent oversight for the Board and management.

Director Independence

Rather than adopting categorical standards, the Board assesses director independence on a case-by-case basis, in each case consistent with applicable legal requirements and the listing standards of the NYSE. After reviewing all relationships each director has with the Company, including the nature and extent of any business relationships between the Company and each director, as well as any significant charitable contributions the Company makes to organizations where its directors serve as board members or executive officers, the Board has affirmatively determined that the following directors have no material relationships with the Company and are independent as defined by the current listing standards of the NYSE: Messrs. Phillips, Zorich, Swanson, Burroughs, Albert, Paterson and Winkler. Neither Mr. Benjamin Hulburt, the Company's Chairman, President and Chief Executive Officer, nor Mr. Christopher Hulburt, the Company's Executive Vice President, General Counsel and Secretary, is considered by the Board to be an independent director because of their employment with the Company.

Executive Sessions

To facilitate candid discussion among the Company's directors, the non-management directors meet in regularly scheduled executive sessions. Following his appointment as Lead Independent Director in November 2014, Mr. Randall M. Albert has presided over these meetings.

Director Nominations

Pursuant to the Company's Corporate Governance Guidelines, the Board is responsible for identifying individuals qualified to become Board members and nominees for directorship are selected by the Board. The Board takes into account many factors, including, but not limited to, general understanding of marketing, finance and other disciplines relevant to the success of a large publicly traded company in today's business environment; understanding of the Company's business on a technical level; and educational and professional background. The Board evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that can best support the success of the business and, based on its diversity of experience, represent stockholder interests through the exercise of sound judgment.

Although the Board is willing to consider candidates recommended by our stockholders, it has not adopted a formal policy with regard to the consideration of any director candidates recommended by our stockholders. The Board believes that a formal policy is not necessary or appropriate because of the small size of the Board and because the current Board already has a diversity of business background and industry experience. Additionally, the Board does not have a formal diversity policy in place for the director nomination process, but instead considers diversity of a candidate's viewpoints, professional experience, education and skill set as a factor in the consideration and assessment of a candidate as set forth above.

Stockholders Agreement

In connection with the closing of our initial public offering (our "IPO"), we entered into the Stockholders Agreement with the EnCap Funds and certain investment funds controlled by certain members of our management team (collectively, the "Stockholders"). The Stockholders Agreement provides that we and the Stockholders will take certain actions, such as soliciting proxies or voting shares of our common stock, to cause the Board to consist of the following members: (i) Benjamin W. Hulburt, for so long as he remains our President and Chief Executive Officer; (ii) Christopher K. Hulburt, for so long as he remains our Executive Vice President, Secretary and General Counsel; and (iii) a number of members designated by the EnCap Funds, currently up to five, which number will be adjusted in the future based on the level of beneficial ownership of our shares of common stock by the EnCap Funds and their affiliates. For so long as the EnCap Funds and its affiliates beneficially own at least 50% of our

outstanding common stock, we and the Stockholders have agreed take certain actions to cause at least one of the directors designated by the EnCap Funds to be a member of each committee of the Board (subject to applicable legal requirements and stock exchange rules). In addition, we and the Stockholders have agreed to take certain actions to cause Benjamin W. Hulburt to be elected as Chairman of the Board.

Other than with respect to the election of the Board, each Stockholder is entitled to vote the number of shares of our common stock that it holds in its sole discretion.

Board's Role in Risk Oversight

In the normal course of its business, the Company is exposed to a variety of risks, including market risks relating to changes in commodity prices, interest rates, technical risks affecting the Company's resource base, political risks and credit and investment risk. The Board oversees the strategic direction of the Company, and in doing so considers the potential rewards and risks of the Company's business opportunities and challenges, and monitors the development and management of risks that impact the Company's strategic goals. The Audit Committee of the Board (the "Audit Committee") assists the Board in fulfilling its oversight responsibilities by monitoring the effectiveness of the Company's systems of financial reporting, auditing, internal controls and legal and regulatory compliance. The Compensation Committee assists the Board in fulfilling its oversight responsibilities by overseeing the Company's compensation policies and practices.

Attendance at Meetings

Pursuant to the Company's Corporate Governance Guidelines, directors are encouraged to attend the annual meetings of stockholders. The entire Board attended the Company's 2017 annual meeting of stockholders.

The Board held 9 meetings during 2017. No director attended fewer than 75% of the meetings of the Board and of the committees of the Board on which that director served.

The Board currently has two committees: the Audit Committee and the Compensation Committee. The Audit Committee held 5 meetings and the Compensation Committee had 4 meetings during 2017.

Status as a "Controlled Company"

Certain private equity funds managed by EnCap beneficially own a majority of our common stock, and as a result, we are a "controlled company" within the meaning of the NYSE's corporate governance standards. Under the NYSE's rules, a company of which more than 50% of the voting power is held by another person or group of persons acting together is a controlled company and may elect not to comply with certain NYSE corporate governance requirements, including the requirements that:

- a majority of our board of directors consist of independent directors;
- we have a nominating and governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and
- we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities.

We are currently utilizing the exemption relating to the nominating and governance committee, and we may utilize this exemption for so long as we are a controlled company.

Committees

Audit Committee

The Audit Committee consists of Messrs. Paterson (Chair), Albert and Winkler, each of whom is independent under the rules of the SEC and the listing standards of the NYSE. As required by the rules of the SEC and listing standards of the NYSE, the Audit Committee consists solely of independent directors. The Board has also determined that each member of the Audit Committee is financially literate, and that Mr. Paterson satisfies the definition of "audit committee financial expert."

The Audit Committee oversees, reviews, acts on and reports on various auditing and accounting matters to the Board, including: the selection of our independent accountants, the scope of our annual audits, fees to be paid to the independent accountants, the performance of our independent accountants and our accounting practices. In addition, the Audit Committee oversees our compliance programs relating to legal and regulatory requirements. We have adopted an Audit Committee Charter defining the committee's primary duties in a manner consistent with the rules of the SEC and applicable stock exchange or market standards. A copy of our Audit Committee Charter is posted on our website at www.eclipseresources.com in the "Corporate Governance" subsection under the "Investor Center" section.

Compensation Committee

Because the Company is a controlled company within the meaning of the NYSE corporate governance standards, the Company is not required to have a Compensation Committee composed entirely of independent directors. However, the Board appointed Messrs. Burroughs (Chair), Albert and Winkler to our Compensation Committee on January 20, 2015, each of whom is independent under the rules of the SEC and the listing standards of the NYSE.

In 2017, the Compensation Committee engaged Meridian Compensation Partners, LLC ("Meridian") to review our compensation arrangements for our executive officers and independent directors, including an analysis of both the competitive market and the design of the compensation arrangements. As part of its reports to the Compensation Committee, Meridian evaluated the compensation arrangements of our peer companies and provided competitive compensation data and analysis relating to the compensation of our executive officers and independent directors.

The Compensation Committee reviews, evaluates and approves the agreements, plans, policies and programs of the Company to compensate the Company's executive officers and directors. The Compensation Committee's goal is to ensure that the Company's compensation programs are designed to provide a competitive level of compensation to attract and retain talented directors and executives, reward and encourage maximum corporate and individual performance, promote accountability and assure that employees and director interests are aligned with the interests of the Company's stockholders. Pursuant to its charter, the Compensation Committee may delegate to its Chairman, any one of its members or any subcommittee it may form, the responsibility and authority for any particular matter, as it deems appropriate from time-to-time under the circumstances. To the extent necessary, the Compensation Committee or the Board may delegate the approval of award grants and other transactions and responsibilities regarding the administration of compensatory programs to a subcommittee consisting solely of members of the Compensation Committee who are (a) "Non-Employee Directors" for purposes of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and/or (b) "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code of 1986 in effect as of November 1, 2017. We have adopted a Compensation Committee Charter defining the committee's primary duties in a manner consistent with the rules of the SEC and applicable stock exchange or market standards. A copy of our Compensation Committee Charter is posted on our website at www.eclipseresources.com in the "Corporate Governance" subsection under the "Investor Center" section.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee is or has been one of our officers or employees or has or had any relationship requiring disclosure pursuant to SEC rules. In addition, during 2017, none of our executive officers served as:

- a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Compensation Committee;
- a director of another entity, one of whose executive officers served on our Compensation Committee; or
- a member of the compensation committee (or other board committee performing equivalent functions, or in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as one of our directors.

Nominating & Governance Committee

Because the Company is a controlled company within the meaning of the NYSE corporate governance standards, the Company is not required to have a nominating and governance committee or, in the event the Company chooses to establish one, a committee composed entirely of independent directors. The Company has utilized this exemption and does not have a nominating and governance committee.

Available Corporate Governance Materials

The following materials are available on the Company's website at www.eclipseresources.com in the "Corporate Governance" subsection under "Investor Center" section:

- Charter of the Audit Committee of the Board;
- Charter of the Compensation Committee of the Board;
- Corporate Code of Business Conduct and Ethics;
- Financial Code of Ethics; and
- Corporate Governance Guidelines.

Communications with Our Board

Stockholders and other interested parties may communicate with our directors, including our non-management directors, individually or as a group, and our Lead Independent Director by writing to Christopher K. Hulburt, Executive Vice President, Secretary and General Counsel, at our principal executive offices, 2121 Old Gatesburg Road, Suite 110, State College, Pennsylvania 16803. Stockholders and other interested parties may submit such communications on a confidential or anonymous basis by sending the communication in a sealed envelope marked "Communication with Directors" and clearly identifying the intended recipient(s) of the communication.

The Company's General Counsel will review each communication and will forward the communication, as expeditiously as reasonably practicable, to the addressees if: (1) the communication complies with the requirements of any applicable policy adopted by the Board relating to the subject matter of the communication; and (2) the communication falls within the scope of matters generally considered by the Board. To the extent the subject matter of a communication relates to matters that have been delegated by the Board to a committee or to an executive officer of the Company, then the Company's General Counsel may forward the communication to the executive officer or chairman of the committee to which the matter has been delegated. The acceptance and forwarding of communications to the members of the Board or an executive officer does not imply or create any fiduciary duty of the Board members or executive officer to the person submitting the communications.

Information may be submitted confidentially and anonymously, although the Company may be obligated by law to disclose the information or identity of the person providing the information in connection with government or private legal actions and in other circumstances. The Company's policy is not to take any adverse action, and not to tolerate any retaliation, against any person for asking questions or making good faith reports of possible violations of law, the Company's policies or its Corporate Code of Business Conduct and Ethics.

Narrative Disclosure to Summary Compensation Table

The following describes material features of our compensation of our Named Executive Officers disclosed in the Summary Compensation Table above. Although we are a controlled company within the meaning of the NYSE corporate governance standards and previously relied on an exemption from the requirement that we have a Compensation Committee, the Board appointed Messrs. Burroughs (Chair), Albert and Winkler to the Compensation Committee on January 20, 2015. Prior to January 20, 2015, all final determinations regarding executive officer compensation were made by analyzing the appropriateness of the base salary for each of our Named Executive Officers in light of the base salaries of other executives in the peer group that we have identified, with the assistance of an independent compensation consultant, both on a stand-alone basis and as a component of total compensation.

The Board has reviewed the background, experience and independence of the Compensation Committee members and, based on this review, determined that each member of the Compensation Committee (i) meets the independence requirements of the NYSE corporate governance listing standards, (ii) is an “outside director”

pursuant to the criteria established by the Internal Revenue Service, and (iii) meets the enhanced independence standards for compensation committee members established by the SEC.

Base Salary

Each Named Executive Officer's base salary is a fixed component of compensation for each year for performing specific job duties and functions. Prior to our initial public offering, the base salaries of Messrs. DeNezza and C. Hulburt, were set pursuant to arms-length negotiations with our senior management, subject to EnCap's approval (Mr. Benjamin W. Hulburt's base salary was set pursuant to arms-length negotiations directly with the representatives of EnCap serving on the Board). In August 2017, we entered into amended and restated employment agreements with Messrs. B. Hulburt, DeNezza and C. Hulburt which set the base salaries for such individuals for the remainder of 2017 at amounts recommended by our independent compensation consultant in light of the base salaries of executives in our peer groups. Under the terms of the employment agreements, the Named Executive Officers' base salaries may be increased by our Board or a designated committee in its discretion, but may not be decreased without the Named Executive Officer's written consent. The Named Executive Officers' base salaries increased during the 2017 calendar year by \$36,450, \$64,950, and \$25,000, Messrs. B. Hulburt, DeNezza and C. Hulburt, respectively.

Annual Cash Bonuses

During 2017, we paid bonuses to each of our Named Executive Officers. The bonus amounts were equal to 75% of Mr. Benjamin W. Hulburt's, 64% of Mr. Matthew R. DeNezza's and 60% of Mr. Christopher K. Hulburt's respective earned wages for the prior year. Messrs. Benjamin Hulburt, DeNezza and Christopher Hulburt each received 50% of their individual 2017 bonuses in cash and 50% in the form of a restricted stock unit award, the terms of which are set forth below under "*—Long-Term Incentive Plan.*"

Employment Agreements

In August 2017, we entered into employment agreements with each of our Named Executive Officers. The employment agreements are for an initial term of three years, and automatically extend for an additional one-year renewal term for every year thereafter unless we or the Named Executive Officer gives written notice to the other party that the automatic extension will not occur at least 90 days prior to the end of the initial term, or, if applicable, the then-current renewal term, in each case, unless terminated earlier in accordance with the terms and conditions set forth therein. Pursuant to the terms of the amended and restated employment agreements, Messrs. Benjamin W. Hulburt, Matthew R. DeNezza and Christopher K. Hulburt will (i) receive an annual base salary of \$600,000, \$382,000 and \$340,000, respectively, and (ii) be eligible to receive an annual performance-based target bonus equal to 100%, 85% and 85%, respectively, of their base salaries. The base salaries and the annual performance-based bonus percentages may be increased by the Board or a designated committee thereof in its discretion but may not be decreased without the Named Executive Officer's written consent.

The employment agreements also contain non-solicitation, non-competition and confidentiality covenants on behalf of the Named Executive Officers in favor of us. In addition, any amounts payable to the Named Executive Officer under the employment agreements will be subject to any "clawback" policy established by us from time to time.

See "*—Additional Narrative Disclosure—Employment, Severance or Change in Control Agreements*" below for a description of the severance benefits payable to our Named Executive Officers under their respective employment agreements.

Long-Term Incentive Plan

During 2017, the Compensation Committee granted restricted stock unit awards and performance stock unit awards to our Named Executive Officers as part of the Company's long-term incentive plan. Additional Narrative Disclosure

Retirement Benefits

We currently maintain a retirement plan intended to provide benefits under section 401(k) of the Internal Revenue Code of 1986, as amended, under which employees, including our Named Executive Officers, are allowed to contribute portions of their compensation to a tax-qualified retirement account. Under our 401(k) plan, we provide matching contributions equal to 100% of the first 6% of employees' eligible compensation contributed to the plan.

Employment, Severance or Change in Control Agreements

As disclosed above under “—Employment Agreements,” in August 2017 we entered into amended and restated employment agreements with each of our Named Executive Officers. The employment agreements provide each Named Executive Officer with certain severance benefits upon termination. If the Named Executive Officer's employment is terminated by us “without Cause” or by the Named Executive Officer for “Good Reason” (as such terms are defined in the employment agreements), then:

- we will make a lump sum payment to the Named Executive Officer equal to two times (three times in the case of Benjamin W. Hulburt) the sum of (i) the Named Executive Officer's annual base salary as of the termination date, and (ii) the Named Executive Officer's “target” annual bonus for the fiscal year that includes his termination date;

- we will reimburse the Named Executive Officer for any amounts necessary to continue the health care coverage under our group health plans for the Named Executive Officer and his qualified dependents for a period of up to 18 months following the termination date (the “Post-Employment Health Coverage”); and
- we will pay the Named Executive Officer a prorated annual bonus for the year of termination

If the Named Executive Officer’s employment is terminated upon the Named Executive Officer’s death or “Disability” (as defined in the employment agreements), then we will make a lump sum payment to the Named Executive Officer equal to one times the Named Executive Officer’s annual base salary as of the termination date and we will provide the Named Executive Officer with the Post-Employment Health Coverage.

Compensation of Directors

The Compensation Committee periodically reviews the compensation levels and practices for our non-employee directors. During 2017, under the Company’s Director Compensation Program, all of our non-employee directors who were not affiliated with EnCap were entitled to receive the following:

- an annual cash retainer of \$75,000 (\$90,000 for the Chairman of our Audit Committee and \$85,000 our Lead Independent Director) paid quarterly in equal installments; and
- an annual equity grant of restricted stock equal in value to approximately \$120,000, vesting in full on the first anniversary of the date of grant.

Under our Director Compensation Program for 2017, our non-employee directors who were affiliated with EnCap were not entitled to receive an annual cash retainer or an annual equity grant of restricted stock.

Each director is also reimbursed for his reasonable out-of-pocket expenses associated with the attendance of meetings and activities of our Board or its committees.

Benjamin W. Hulburt and Christopher K. Hulburt are members of our Board but are employed by us and, as such, receive no additional compensation for their service on our Board.

On May 17, 2017, we awarded 51,064 shares of common stock under the LTIP to each of our non-employee directors who were not affiliated with EnCap (Messrs. Paterson, Winkler and Albert), representing such director’s annual equity grant for 2017. The shares of restricted stock subject to such grants are scheduled to vest in full on May 17, 2018, which is the first anniversary date of the grant.

In addition, during 2017, Messrs. Albert, Paterson and Winkler also served on a Special Committee of our Board in connection with the Company’s acquisition of certain oil and gas leases, wells and other oil and gas rights and interests from Travis Peak and Cardinal Midstream as well. During 2017, Messrs. Albert, Paterson and Winkler each received fees of \$7,161.29 as compensation for their services on such Special Committee and Mr. Albert also received an additional fee of \$4,774 for serving as the Chair of such Special Committee.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The executive officers and directors of the Company and persons who own more than 10% of the Company's common stock are required to file reports with the SEC, disclosing the amount and nature of their beneficial ownership in common stock, as well as changes in that ownership. Based solely on its review of reports and written representations that the Company has received, the Company believes that all required reports were timely filed during 2017.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transaction Policy

The Board has determined that the Audit Committee is best suited to review and approve or ratify transactions with related persons, in accordance with our written policy governing related party transactions. A "related party transaction" is a transaction, arrangement or relationship in which we or any of our subsidiaries, on the one hand, and either (i) a related person, (ii) a person that was a related person less than 12 months prior to the transaction, arrangement or relationship, or (iii) an entity in which a related person has a direct or indirect material interest, on the other hand, are participants, and in which the amount involved exceeds \$120,000. A "related person" means any of our directors or executive officers, any nominee to our Board, any beneficial owner of more than five percent of our common stock, any of the foregoing person's immediate family members, and any firm, corporation or other entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a five percent or greater beneficial ownership. Pursuant to this policy, the Audit Committee reviews all material facts of all related party transactions, including the terms of the transaction and the nature of the related person's interest in the transaction.

2017 Related Party Transactions

During 2017, we incurred approximately \$0.6 million related to flight charter services provided by BWH Air, LLC and BWH Air II, LLC, which are owned by our Chairman, President and Chief Executive Officer. The fees are paid in accordance with a standard service contract that does not obligate us to any minimum terms.

Flat Castle Acquisition and Option to Acquire Cardinal NE Holdings, LLC

On January 18, 2018, Eclipse Resources-PA, LP, a wholly owned subsidiary of the Company, completed its acquisition of certain oil and gas leases, wells and other oil and gas rights and interests covering approximately 44,500 net acres located in the counties of Tioga and Potter in the Commonwealth of Pennsylvania (such transaction, the “Flat Castle Acquisition”) from Travis Peak. The aggregate adjusted purchase price for the Flat Castle Acquisition was \$92.2 million, which was paid entirely with approximately 37.8 million shares of the Company’s common stock. In addition, on December 8, 2017, Eclipse Resources Midstream, LP, a wholly owned subsidiary of the Company (“Eclipse Midstream”), acquired the exclusive right and option to purchase all of the outstanding equity interests of Cardinal NE Holdings, LLC, which owns midstream infrastructure with associated gathering rights on the acreage acquired in the Flat Castle Acquisition, from Cardinal Midstream II, LLC (“Cardinal Parent”) for an aggregate purchase price of \$18.3 million in cash (the “Cardinal Transaction”). The option granted to Eclipse Midstream expires as of the close of business on June 30, 2018 if not exercised prior to such time. Travis Peak and Cardinal Parent are affiliates of EnCap. EnCap has representatives on the Board, and affiliates of EnCap collectively beneficially own a majority of the outstanding shares of our common stock. The Flat Castle Acquisition and the Cardinal Transaction were approved by a Special Committee of our Board, which committee consisted solely of independent and disinterested directors.

ITEM TWO: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2018. Grant Thornton LLP has audited the Company’s and its predecessor’s financial statements since 2011. The audit of the Company’s annual consolidated financial statements for the year ended December 31, 2017 was completed by Grant Thornton LLP on March 2, 2018.

The Board is submitting the selection of Grant Thornton LLP for ratification at the Annual Meeting. The submission of this matter for ratification by stockholders is not legally required, but the Board and the Audit Committee believe the submission provides an opportunity for stockholders through their vote to communicate with the Board and the Audit Committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of Grant Thornton LLP, the Audit Committee will reconsider, but will not be required to rescind, the selection of that firm as the Company’s independent registered public accounting firm. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. Such representatives are also expected to be available to respond to appropriate questions.

The Audit Committee has the authority and responsibility to retain, evaluate and replace the Company’s independent registered public accounting firm. The stockholders’ ratification of the appointment of Grant Thornton LLP does not limit the authority of the Audit Committee to change the Company’s independent registered public accounting firm at any time.

THE BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2018.

Audit Committee Report

Pursuant to its charter, the Audit Committee’s principal functions include the duty to: (i) oversee the appointment, compensation, retention and oversight of the work of the independent auditors hired for the purpose of

issuing an audit report or performing other audit, review or attest services for the Company; (ii) pre-approve audit or non-audit services proposed to be rendered by the Company's independent registered public accounting firm; (iii) annually review the qualifications and independence of the independent registered public accounting firm's senior personnel that are providing services to the Company; (iv) review with management and the independent registered public accounting firm the Company's annual and quarterly financial statements, earnings press releases and financial information and earnings guidance provided to analysts and ratings agencies; (v) oversee the Company's internal audit; (vi) ratify related party transactions as set forth in the Company's Related Persons Transactions Policy; (vii) review with management the Company's major financial risk exposures; (viii) assist the Board in monitoring compliance with legal and regulatory requirements; (ix) prepare the report of the Audit Committee for inclusion in the Company's proxy statement; and (x) annually review and reassess its performance and the adequacy of its charter.

While the Audit Committee has the responsibilities and powers set forth in its charter, and the Company's management and the independent registered public accounting firm are accountable to the Audit Committee, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable laws, rules and regulations.

In performing its oversight role, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's management and independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees. The Audit Committee has received the written disclosures and the written statement from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm to the Company is compatible with maintaining the independent registered public accounting firm's independence and has discussed with the independent registered public accounting firm its independence.

Based on the reviews and discussions described in this Audit Committee Report, and subject to the limitations on the roles and responsibilities of the Audit Committee referred to herein and in its charter, the Audit Committee recommended to the Board that the Company's audited financial statements for the year ended December 31, 2017 be included in the Form 10-K, which was filed with the SEC on March 2, 2018. The Audit Committee also selected Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by the Company's management and independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that (i) the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, (ii) the Company's financial statements are presented in accordance with generally accepted accounting principles, or (iii) Grant Thornton LLP is in fact independent.

Members of the Audit Committee:

Richard D. Paterson (Chairman)
Randall M. Albert
Joseph C. Winkler, III
